Full job description

Aviation Protection Officer Traineeships: Mackay

APOs Needed: Mackay

If you are looking to step up your career, our client is the perfect professional home. Being a part of our client's team, you will have a chance to innovate with Australia's leading businesses, put that expertise into action on landmark projects, and work on game-changing initiatives. You will also make long-lasting professional connections through sharing different perspectives, and you will be inspired by the best. We are focused on opportunity and want to help you make the most of yours. The company is an industry-leading provider of cleaning and security services throughout Queensland. We pride ourselves on providing a highly proactive, well-managed service to our clients.

Currently, our client has an exciting opportunity for energetic and bright customer and safety-focused Aviation Protection Officers to join the team.

Your main responsibilities...

- Demonstrated ability to engage with customers, consistently providing a high quality, positive experience
- Demonstrated potential to learn and retain new information and skills in a fast-paced airport environment
