### Full job description

#### ABOUT THE COMPANY.

Join a highly respected mechanical contractor based in the Wollongong as a HVAC Service Technician. This firm is run by an actively involved Director who is passionate about providing quality solutions to their clients ensuring you will be joining a very well managed and organised team. This has led the company to be the preferred contractor for various domestic and light commercial clients.

#### ABOUT THE POSITION.

As an Air Conditioning Technician you'll be involved in all facets of the trade across, service, breakdowns and general maintenance. You will predominantly perform servicing and breakdown repairs for light commercial and residential accounts, whilst also guiding an apprentice and assisting with their growth and development.

#### DUTIES.

- Service, monitor and repair HVAC systems
- Write detailed reports
- Resolve various breakdowns
- Fault-finding and preventative maintenance

#### SKILLS & EXPERIENCE.

- Air-conditioning or Refrigeration trade qualification
- ARCTick licence
- Exposure to liaising with clients and suppliers
- Current drivers licence

#### CULTURE.

The Director of this contractor value their Technicians opinions and always

consider and implement any suggestions for improvement within the team. The Director is excited about the opportunity to help assist a technician with their growth and potentially development into a management role.

**BENEFITS.**

- Attractive and above industry average hourly rate
- Fully maintained company vehicle, uniform, and fuel card included
- Work-life balance - Monday to Friday

**HOW TO APPLY.**

To apply for this position, please click 'Apply', or for a confidential discussion regarding this opportunity, contact **Fadi Eldick** on **(02) 9231 4999**.
