Full job description

Your new company

Your new company will be working with a leading electrical company assisting in support and electrical services across Tier one clients. Most of the roles will be driven via commercial or fitout roles. The successful candidate will be joining the company to successful deliver on these project in a timely manner.

Your new role

As a qualified Electrician you will work within a small team to assist in the role of Commercial fitouts and working across a high demand in projects finishing off and maintenance fixes where possible. This client has a need to find a qualified trade to assist in cabling, fit-offs, maintenance, Installs and repairs of substations and meters.

What you'll need to succeed

The successful candidate will have the opportunity to work on a ongoing temporary with potential to go permanent with the company. There is also an opportunity to work on a 40+ hour week along with OT rates and weekend work available at discretion. Candidates will need the following tickets prior to application

- White Card
- Asbestos Awareness
- EWP (Desirable)
- WWVP (Desirable)
- Unrestricted ACT Electrical License

What you'll get in return

- Excellent hourly rate with OT options
- Large project scale opportunities across the Commercial Electrical space
- Working with a leading Electrical company
