Full job description

Set In Steel is a local Fabrication company that specialises in Custom Made Quality Polished Concrete products such as Tables, Kitchen and BBQ Benches, Vanity tops and Basins, Floating Benches, Fire Hearths and many more unique designs.

We provide a workplace that is committed to our employees, that is striving for excellence, is considerate of WH&S, will allow you to grow and move up in our business, is supportive with an excellent culture and work environment. We are on the move and looking for dedicated, motivated staff to grow with us.

We are on the search for team members who display a high level of expertise, problem solving and trade qualifications. If you have an eye for detail and strive to be the best at your trade, if you have trade qualifications in carpentry, joinery, custom concrete production, installation, then we would really like to hear from you. YOU MUST HAVE YOUR DRIVERS LICENCE and a reliable mode of transport. You MUST be able to demonstrate to us why you would be a good fit for our team by showing evidence of previous SKILLED work. You MUST take PRIDE in your work and strive to be a high performer.

We are currently seeking new employees with the following attributes:

- ATTENTION TO DETAIL A MUST
- Ability to think on the go and solve problems
- A self starter, on time and on task every day
