Full job description

About the Company:

JPS has partnered with an Australian Tier 2 construction company specialising in large scale multi-residential developments in the Greater Sydney Region and across New South Wales. The company has a reputation of delivering quality design & construct projects for more than two decades and is now one of Sydney's highest performing mid & high-rise builders.

About the Role:

We are seeking a quality Site Manager to join the high performing team for their Wollongong multi-residential, mid-rise projects. Your duties will include:

- Management of site staff, trades & sub-contractors
- Build strong relationships with internal and external stakeholders
- Provide leadership & management of the construction program to avoid delays
- Management of Workplace, Health & Safety policies onsite

What's on Offer:

Join an established team with a strong pipeline of projects ranging from \$20 million to over \$100 million. On offer is;

- Permanent, full-time position
- Great salary package circa **\$170K to 220K** – dependent on the value you can add
